

# CISA Domain Training 2005

The London Chapter is pleased to announce that in 2005 we will once again be offering formal training for each of the 7 CISA Domains. This is an opportunity to enhance your knowledge in order to pass the examination and will be offered in the format of **four one-day training sessions**.

The four sessions will be lead by John Mitchell, who is currently Academic Relations Director of the Chapter. John is a very experienced trainer and has run a number of CISA Training Sessions for the London and other European Chapters. The sessions will be held in the excellent Quorum Training facilities at Tavistock House, Tavistock Square, London. This is situated within 5 –15 minutes walking distance of Euston and Kings Cross/St. Pancras rail stations.

You have the choice of attending all four days (and receive approximately a 10% discount on the individual daily cost) or book individual training sessions to suit your particular needs. All training will include a printed delegate pack and all refreshments. A maximum of 24 delegates can be accommodated. Please complete the application form over the page.
