

IMPLEMENTING CobiT for IT GOVERNANCE 9th and 10th May 2005

Organisations need to understand IT Governance and the London Chapter is pleased to announce that it is once again offering official ISACA CobiT course designed specifically for implementing CobiT for IT Management and Governance. This two day workshop will concentrate on the much neglected implementation aspects of IT Governance and focus on the use of CobiT to achieve this. This workshop attracts 15 CPE hours and delegates will receive an official ISACA Training Certificate upon completion. This course is specifically aimed at IT managers, IT auditors and consultants, preferably with some knowledge and experience of using CobiT.

The course leader is John Mitchell, a former London Chapter President and one of the few people in the world to be accredited by ISACA International to present this course. The sessions will be held in the excellent Quorum Training facilities at Tavistock House, Tavistock Square, London, which is within 5 – 15 minutes walking distance from Euston and Kings Cross/St. Pancras rail stations.

The course objectives will enable delegates to:

- Understand the principles and objectives of CobiT and the CobiT framework.
- Identify and know when to use the various components of CobiT.
- Understand the ITGI's approach to IT Governance and how CobiT supports this.
- Scope and plan IT Management/Governance initiatives based on CobiT.
- Assess IT Management Capability using the CobiT Maturity Models and Control Objectives.
- Plan control improvements using Control Objectives and Control Practices.
- Create a Performance Measurement framework using CobiT's Metrics and Scorecards.

The cost of the course is:

£620.00 for all ISACA/ BCS IRMA/ ICAEW IT faculty members.

£780.00 for non-members.

The cost includes lunch and refreshments on both days and a full delegate pack. A maximum of 20 delegates can be accommodated, so in order to ensure your place please complete and return the registration form over the page as soon as possible. If you require an overnight stay this will be at extra cost. Quorum Training provide a list of nearby recommended hotels at reasonable prices, so please indicate on the registration form if you need accommodation.
